

Northmoor
Tool Hire
2009 Catalogue

Safety Equipment

Safety goggles and a security circuit breaker are included in the price of electrical items. Gloves are provided if appropriate. This safety equipment must be returned.

Dust masks are not included in the price but can be purchased from us for £1.

Return of Tools

All tools and safety equipment must be returned on time. If they are returned late you will be charged an extra session.

You can extend your hire session by visiting the laundrette or phoning 248 4170.
